# SIZZLING SUMMER CAMPS 2011

June 20-24..**Welcome to Summer** -Get acquainted & make new friends. We'll fine tune our skills at volleyball, croquet & four square and still have time to go exploring on neighborhood walks.

June 27-July 1 & July 3-8... **Mythical Magic**-Help us conquer a dragon with our homemade catapults, dabble in the magical powers of Merlin and unveil the mysterious adventures of fairies and unicorns. The local firefighters will enjoy our delicious homemade cookies and we'll hunt for a hidden watermelon at Strawberry Hill Park. We'll try to keep the ball out of the gutter at All Star Lanes.

**Remember to stop by our bubble station at the Fourth of July Fair.**

July 11-15...**Animal Antics**-Who doesn't love a cuddly pet or a curious reptile. A special guest will tell us how to care for our pets and which ones are the most common or easiest to care for. We'll make pet toys, treats and birdhouses. Walking to a movie at Bainbridge Cinema and visiting animals at a local farm will complete our week.

Jul 18-22...**How the West was Fun**- Join us as we "trot" across the globe and learn about western life from Mexico to the Outback. We'll learn how to cook jerky, dried fruit leather and cowboy stew. We'll explore the trails and get active with a variety of field games at Battlepoint Park.

**3rd Grade Outing**-Our up and coming 3rd graders will venture to Seattle for a trip through the Curiosity Shop, a tour through Pike Place Market and lunch in China Town. One last hurrah before moving up to Kids Club in the Fall.

July 25-29...**The Great Northwest**-Get down and dirty as we venture on some awesome nature hikes, make squirrel houses in the forest and test our skills at pitching a tent and outdoor cooking. Wear your hiking boots for a scavenger hunt through the Grand Forest and save some energy for a round of Miniature Golf.

Aug 1-5 & Aug. 8-12...**Pirates & Scallywags**- Ahoy Mates...Our journey begins as we encounter pirates, the likes of which we have never known. Search for buried treasure, swab a few decks & create your own message in a bottle. We'll stretch our legs walking to a movie at Bainbridge Cinema, look for pirates at Strawberry Hill Park and roll on over to All Star Lanes.

Aug. 15-19 **Mad Scientist**...Are those mad scientists or creative kids? We'll be making crystals, slime and amazing moon rocks. Join the fun as we erupt volcanoes and see just how far our balloon rockets will travel. What kind of concoctions are they baking up for us at the Safeway Bakery? Come one...come all to the All Center Carnival, with our guest magician.

Aug. 22-26...**Water Works**-Water balloon fights, sprinklers & a car wash are all on the agenda. Don't forget to bring a swimsuit, slippers & towel because we plan to get wet. We'll explore the Naval Underwater Museum at Keyport and try out with some of our own sink or float experiments.

Aug 28-Sept 2 **Summer Daze**...Summer is almost over, but there's still time for Field Day. We're going out with a bang. Crazy tug of war antics, obstacle courses and a whole lot more. We'll capture all of our summer fun on a mural painted by the children.
