A Brand New School Year!

The Kids Club staff would like to welcome our new third grade families as well as our returning families for another great year of activities, field trips and more! Our program will be using the Ordway Gym from 12:00 to 5:30 to 5:45 PM on Monday and from 2:30 to 5:45 PM Tuesday through Friday; closing at Big Kids from 5:45 to 6:30 PM.

We look forward to our continued presence within the community and our commitment to providing quality care for our children and parents as we look forward to planning for the future.

What's Happening!

The school year is off to a great start with new and returning families coming through our doors! Along with our themes and regular excursions, the Kids Club Staff has added a couple of new things to our programming.

- * The ever popular Dungeons and Dragons will continue every Monday, Wednesday and Friday as part of our afternoon activity choices. Brigitte with a lot of help from Kids Clubber Henry Burrese has prepared campaigns that will encourage boys and girls to communicate and work together solving puzzles, riddles as well as strategic planning as they navigate imaginary worlds created just for them!
- * Nick is looking forward to introducing our new 3rd graders to Wednesday afternoons of Red vs. Blue and Iron Builder challenges on Thursdays. Kids will test their skills in group games of charades, speedball and create amazing structures out of legos, K-nex and other fun materials.
- * Julie Swaffield is excited to share art projects and activities that will enhance the new themes this new school year will bring. As our newest staff member she is looking forward to getting to know all of our Kids Clubbers, old and new alike!
- * Kids Club will continue its field trips to the Library every Monday from 3:30 to 4:30 PM unless otherwise posted.

If you have any questions or suggestions, please contact Brigitte Wilson at 206-397-5313 or Brigitte@biccc.org
