

Big Kids 2019 Wacky & Whimsical Summer Camps

June 24-28: "Toy Story Week": Roll call.... Buzz, Woody, Jesse and Rex... This week we will be lassoing our way into the playful world of Toy Story. Come create your own character, write their back stories, have a Mr./Mrs. Potato Head contest and get tied up with our friend Slinky. All this fun will be leading up to a field trip to Bainbridge Is. Cinemas to see the new Toy Story 4 movie. This week is sure to be a "buzzworthy" one.

July 1-3: "Artful Antics": Artists wanted! If you love art and being creative, this is the week for you.

Push up those sleeves and let's get our hands dirty when we learn new art mediums, trick photography, collect nature materials to create art projects and make magazine collages. This week is all about expressing your creative side. Field trips include a visit from Magician Louie Fox and a trip to the B.I. Library.

July 8-12: "Camp S'mores": Calling all camping enthusiasts and chefs alike... This week we will spend time learning how to put up tents, make homemade cooking items such as butter, ice cream and jams. Using cast iron pans and our own hand power to churn that butter. We will also be exploring our own back yard with a field trip to the Grand Forest and to the B.I. Library.

July 15-19: "Fairy Hollow": Calling all day dreams... This week we will be entering the enchanting woods to create our own fairy/woodland creature homes. Come build a squirrel house, create a fairy, gnome or sprite, this week will be full of garden magic. We will be taking a field trip to the Grand Forest, and a trip to the B.I. Public library for some inspiration. If you love to see the magic in nature, this week is the one for you!

July 22-26: "Night at the Museum": Let's hitch a ride on our Big Kids time machine and travel to different period in time & history. We'll be dusting off those bellbottoms and dancing our way through the disco era, harnessing up the horses to chariots as we circle the Colosseum in Rome, and stopping off in Egypt to visit with the pharaohs. This week is sure to not disappoint the adventurous at heart. One last stop is to the B.I. Library to do some more research for our next trip.

July 29-Aug 2: "Sports Week":

Dust off those gloves, tie up those shoes, and straighten up that ball cap, this week is going to zoom on by. Soccer, baseball, balloon tennis are just some of the exciting sport activities lined up for this week. Come join our Big Kids team... We won't forget about those non sport lovers with inside activities including, pop-sicle stick hockey, DIY wooden surf boards and table top football. Field trips to the B.I. Library and a trip to All Star Lanes in Silverdale for bowling will finish off this entertaining week.

Aug 5-9: "Birds of Prey": This week we will be spreading our wings and preparing for flight when we learn about these fearsome creatures. Activities will include; gloving up for digging through owl pellets, a field trip to the B.I. Library to do some research and exploring the world of aerodynamics. We will have a visit from our friends at the West Sound Wildlife Shelter to end this week.

Aug 12-16: "Pirates & Scallywags": Aaaarrggghhhh! Calling all pirates.... This week we will be looking for some hard working buccaneers to help us sail across the seven seas in search of pirate booty. Learn how to navigate the ship using a compass and the stars, make your own pirate flag, treasure map and learn Morse code. Be on the look out for a special message in a bottle, as we take a trip to Hansville to visit the Point No Point Lighthouse !

Aug 19-23: "Atlantis": Research assistances needed! This week we will be diving into the myth of Atlantis. Is there really an city buried under the ocean? Come along with us as we study the ocean and all it's hidden mysteries. Activities include, fish printing, construction of our own underwater city (which we will experiment on with different weather conditions) a field trip to B.I. Library and to the Keyport Naval Museum will round out this week.

Aug 26-30: "End of Summer Palooza": Let's end the summer with a bang! Water play, Junior Olympics, Scavenger Hunts, and all things celebrating summer will be part of this energetic camp. We will also be spending time with our Kids Club friends on the last day of this week to celebrate the end of summer with our field day activities, popcorn and an age appropriate movie.

Come be apart of our amazing summer program! For more info please
