Summer Fun in the Sun!

Our summer program is up and running full steam ahead keeping kids engaged and busy with amazing themes and projects!

“Color Me Crazy,” Discovering Great Artists week had children creating masterpieces honoring Monet’s “Waterlilies”, Rauschenberg’s “Combines”, O’Keeffe’s flower paintings and Warhol’s “Dypticks”. It was hard to tell which project was the favorite! (Look for photos on our website!)

The Legend of Robin Hood and Sherwood Forest opened doors to life in Medieval England with simple basket weaving, miniature “bow and arrow” making, and fun festival type competitions!

There is still two months left with even more fun and exciting themes! If you know someone who is looking to add a little variety to their child’s summer, we’re the place to be!

Friendly Reminders!

- **The heat is on! Water bottles are handy (with your child’s name on it) to keep your kiddo hydrated and in good playing mode.**
- **Please provide your child with a nut free sack lunch each day, (no heat ups).**
- **As the weather gets warmer, we are bound to have some ‘wet and wild’ days, so a change of clothes or a towel is recommended.**
- **Appropriate shoes will help your child stay safe and comfortable during group games and outside time. (no flip flops please).**

If you have any questions, please contact Brigitte at 206-780-1421 or email Brigitte@biccc.org.

Vacation Notice

I will be on vacation July 26th—August 6th. The very capable Sara Clark and Joe Bartsch will be here during my absence. If you have questions, regarding schedules and/or billing, please contact Bridgette Springer at 842-0238 or bspringer@biccc.org.

Have a great month of July!
