

January 2022

BIG KIDS NEWS

Thank You!:

We would like to thank everyone who generously donated to BICCC through One Call For All this year. We wouldn't be here without your support!

Important Day to Remember:

- ◆ BICCC CLOSED: Jan 17: MLK Jr. Holiday & Staff Training
- ◆ BISD CLOSED: Jan 17: MLK Jr. Holiday
- ◆ BISD CLOSED: Jan 26-28: Parent Conferences (K-8)

Brrrr.... It's Cold Outside:

With the weather changing we will continue to have outdoor play time. Children need to be able to keep warm. Please help us by making sure your child/ren bring a jacket, hat and mittens/gloves.

Your help with this, will make these chilly winter days go more smoothly.

Winter Power Outages/Road Conditions:

Northwest weather can be full of surprises! Emergency and poor weather conditions occasionally arise, which may require delays, closures or changes in operating hours. In case of these untimely circumstances, please have a family plan covering actions to take in emergency situations. Update your family phone numbers if changes occur and assure that emergency contact information is up to date.

If any closure or emergency occurs, we will notify you as soon as we possibly can. We will Mailchimp or BICCC email parents for now, but we're working on getting another form of notification system up and running. (More to come with it).

Words of Wisdom:

What's Happening at Big Kids:

December was a busy month for us here at Big Kids. We learned about Iceland, polar bears, and penguins,. All while celebrating all things winter. We also have been reading our Magic Tree House books and learning about the places Jack and Annie go to a little bit more. We got to see and learn about the multiple levels of the rainforest in (book #6: Afternoon on the Amazon) and saber-toothed tigers and woolly mammoths in (book #7: Sunset of the Sabertooth). The children are enjoying these books so much, we can barely put them down.

Till next month....
