Big Kids/Kids Club Field Trip Guidelines

While we wish for all children and adults to enjoy the field trips, safety is our biggest concern and at no time will we allow the behavior of one or more children to spoil the trip for others.

Please read with your child/children the following guidelines we use on all field trips.

1. **I will use respectful manners at all times; during transportation to and from the location of the field trip.**

2. **I will stay with the group assigned and with my partner at all times.**

3. **I will always listen to staff and adult leaders.**

4. **I will wear a tie-dyed T-shirt (Big Kids) or bandana (Kids Club), which will be provided by the center. *(This makes it easier to keep track of me in public places*.)**

5. **I will always buckle my seat belt and sit with my back against the seat.**

Also:

- **All Lunches including a drink need to be disposable.**
- **Wear comfortable, sensible clothing and shoes for the type of field trip.**
- **Unless specified, please do not bring any extra money, toys, radios, or other items on a field trip.**

Any child having difficulty following these guidelines will not be able to join us on a future field trip. The Program Director/Supervisor will at any time, make the final decision to keep a child at the center if displaying inappropriate behavior.

Please sign and date below that you and your child understand the above guidelines and the consequences that apply.

Instructions for completing the Certificate of Immunization Status (CIS): printing it from the Immunization Information System (IIS) or filling it in by hand.

To print with immunization information filled in: Ask if your healthcare provider's office enters immunizations into the WA Immunization Information System (Washington's statewide database). If they do, ask them to print the CIS from the IIS and your child's immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at https://wa.myir.net. **If your provider doesn't use the IIS, email or call the Department of Health to get a copy of your child's CIS: waiisrecords@doh.wa.gov or 1-866-397-0337.**

To fill out the form by hand:

#1 Print your child's name, birthdate, sex, and sign your name where indicated on page one.

#2 Vaccine information: Write the date of each vaccine dose received in the date columns (as MM/DD/YY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guides below to record each vaccine correctly. For example, record Pediarix under Diphtheria, Tetanus, Pertussis as **DTaP**, Hepatitis B as **Hep B**, and Polio as **IPV**.

#3 History of Varicella Disease: If your child had chickenpox (varicella) disease and not the vaccine, **a health care provider must verify chickenpox disease to meet school requirements**.

- ❑ If your healthcare provider can verify that your child had chickenpox, ask your provider to check the box in the Documentation of Disease Immunity section and sign the form.
- ❑ If school staff access the IIS and see verification that your child had chickenpox, they will check the box under Varicella in the vaccines section.

#4 Documentation of Disease Immunity: If your child can show positive immunity by blood test (titer) and has not had the vaccine, have your healthcare provider check the boxes for the appropriate disease in the Documentation of Disease Immunity box, and sign and date the form. **You must provide lab reports with this CIS**.
