## Summer Registration 2022

Summer registration packets are ready and available for pick up or if preferred emailed to your home. Please note that the return date for the summer registration packet is June 10th. Registration packets accepted after this date are on a space available basis.

If you are interested in receiving a registration form along with our summer descriptions and June calendar, please give me a call at 206-842-0238 or 206-780-1421 and I will be happy to send those your way. We have a great summer line up planned with activities that will be sure to excite and inspire!

Fall registration packets are also available via email or on our website! Get yours in early to reserve your space!

## Friendly Reminders

To help us keep our Summer program running smoothly, we are asking our parents to please help us with the following:

- If your child is feeling under the weather, please keep them at home.
- If someone other than a parent is picking up, please notify the staff providing the name, address and phone number of that individual. When he/she arrives we will check for proper identification before releasing your child.
- Please provide your child with a nut free sack lunch each day, (no heat ups).
- Water bottles are handy (with your child's name on it) to keep your kiddo hydrated.
- As the weather gets warmer, we are bound to have some 'wet and wild' days, so a change of clothes or a towel is recommended.
- Appropriate shoes will help your child stay safe and comfortable during group games and outside time. (no flip flops please).
- Lap tops, I-pads, etc. are welcome if your child has reading or homework that they are doing to stay current with school. (Note: BICCC is not responsible if equipment gets lost or damaged).
- If you have any questions, please contact Brigitte at 206-780-1421 or email [Brigitte@biccc.org](mailto:Brigitte@biccc.org).

Looking forward to sunny skies and seeing everyone very soon!

Brigitte and Joe
