This is also the time of the year when our licensor asks us to update the following forms; emergency, unlimited pick-up, child health history and medical action plans (with doctor signature).

We appreciate all your help with this and can't wait to start the fall program with your children!

What's Happening!

July has been an amazingly fun month!

- ◆ **Two weeks of Around the World in 10 Days** allowed us to travel the globe, with pit stops in Egypt, Africa, Peru, Australia and Italy. Activities included; going on a safari, making 3D lizards, plaster of paris scarab beetles, DIY mancala game boards and sock koalas.
- ◆ **One week of Enchanted Forest** gave us a chance to have the children build their own shoebox fairy houses, create their own fairies, gnomes or sprites. It was a wonderful opportunity to see how the children's imaginations soared.

The month of August promises to have lots of excitement with our up and coming themes like: Hidden in the Garden, Shipwrecked, Shark Week and Camping Daze.

Important Things to Remember:

- ◆ Please have your child bring a NUT/Candy/Soda Free Lunch each day they attend.
- ◆ Sunscreen is available for \$12.00 for the summer (pls, fill out form).
Or bring in your own and fill out a permission form.
- ◆ Please have your child bring a bag to keep their belongings in.

Thanks for a wonderful summer!
Regards, Bridgette S. Kathryn, Sara
