### What's Happening!

July has been a spectacularly fun month!

- **Our All Star Sports** had Kids Club kids learning the in's and out's of Cricket, Pickle Ball, Badminton, Field Hockey and Flag Football. Learning the history of each sport gave us a deeper appreciation on the importance of team work, and staying physical.
- **The Wacky World of Legos** gave everyone the chance to create amazing lego murals, create one of a kind art pieces and yes inspired kids to decorate and customize their very own lego cakes! This theme will sure to be on our summer roster next year!
- **Great American Artists** Once again a theme that had something for everyone! Kids were inspired to create works of art that payed homage to Edward Hicks, Joseph Cornell, Maria Martinez and Dale Chihuly. Please check out our website to see these amazing creations.

That was just a sampling of what July had for everyone and the month of August promises to be just as fun! From Junkyard Wars to Cruising Down the Amazon, we'll be keeping our Kids Club kids busy right up until the end of summer. Look to our calendar for what's in store!

If you have any questions about any of our activities or outings, please contact Brigitte Wilson at 206-780-1421 or email [Brigitte@biccc.org](mailto:Brigitte@biccc.org).

Looking forward to more fun in the sun!
