Conference Week—K-6th grade

Thursday, October 27th
Hand-held electronics day.

Friday, October 28th Possible
movie day (Movie to be determined)

BICCC is proudly sponsored by:

Conference Week!

Conference Week for Kindergarten through 6th grade is scheduled for October 27th and 28th (Thursday and Friday). To help us keep these full days running smoothly, please make note of the following:

- Thursday will be an electronics day; so if your kiddo has a hand held gaming device (age appropriate games only), they are more than welcome to bring them in. They do need to keep in mind that Kids Club is not responsible for their equipment if it gets lost, broken or stolen.
- Please remember to pack a nut-free lunch, no heat ups and a water bottle always helps!
- If these days are not normally scheduled days, let Brigitte know if you need the care. We do have room.
- If someone other than a parent is picking up, please let us know. Pick up person may want to have ID on them just in case staff does not know who they are

If you have any questions, please contact Brigitte at 206-780-1421 or email Brigitte@biccc.org.

What's Happening!

September had been a busy month! Here are just a few of the highlights to share with you!

- Our Great Outdoors feature had our kiddos outside learning to build emergency shelters and creating water filtering devices using plastic bottles, grass, dirt and rocks while manipulating soda cans into makeshift stoves.
- There was no limit to the imaginations where do it yourself sock puppets and puppet theaters were concerned as Kids Club paid tribute to Jim Henson and his Muppets.
- Travels through Scandinavia provided a chance to explore Iceland, Aland and the Faroe Islands along with food sampling and diving into the culture and customs.

October's themes hope to continue inspiring imaginations and curiosity alike.

Until Next Month! Brigitte and Joe
