# BIG KIDS NEWS

January 2023

## Thank You!:

We would like to thank everyone who generously donated to BICCC through One Call For All this year. We wouldn't be here without your support!

## Brrrr.... It's Cold Outside:

With the weather changing we will continue to have outdoor play time. Children need to be able to keep warm. Please help us by making sure your child/ren bring a jacket, hat and mittens/gloves.

Your help with this, will make these chilly winter days go more smoothly.

## Winter Power Outages/Road Conditions:

Northwest weather can be full of surprises! Emergency and poor weather conditions occasionally arise, which may require delays, closures or changes in operating hours. In case of these untimely circumstances, please have a family plan covering actions to take in emergency situations. Update your family phone numbers if changes occur and assure that emergency contact information is up to date.

If any closure or emergency occurs, we will notify you as soon as we possibly can. We will Mailchimp or BICCC email parents for now, but we're working on getting another form of notification system up and running. (More to come with it).

## What's Happening at Big Kids:

December was a busy month for us here at Big Kids. We've been studying about Snow Globes, Patterns in Nature, Antarctic adventures and lastly Winter Holidays. We also go to make some awesome winter themed Yeti villages/homes over winter break.

Till next month.... Happy New Year!

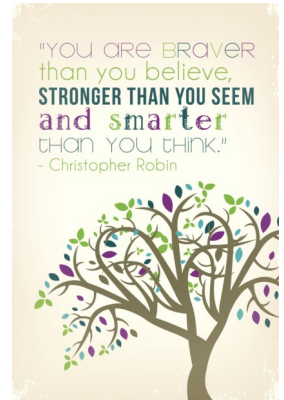

\* Sending Warm Wishes from: Bridgette S., Kathryn & Sara\*
