## Friendly Reminders:

To help keep our Summer Program running smoothly, we are asking our parents to please help us with the following:

- If your child is feeling under the weather, please keep them home.
- If someone other than a parent is picking up, please notify the staff; if the person is already on your emergency contact list, we just need to have a phone call giving verbal permission. If the person isn't on any forms, we would need to have written permission from a parent or guardian to allow that person to pick up. We would need that person's; full name, physical address and phone number. Please remind your emergency contact people to please bring their ID's. We will ask to see them.
- **Please provide your child with a NUT/CANDY/SHELLFISH/SODA//NUTELLA/COCONUT FREE Lunch each day they attend. We have children with serious allergies to these foods. Thank you for your help with this matter.**
- Please send your child dressed for learning and physical activities! Your child should come dressed ready to play both indoors and outdoors. **For both boys and girls, no Flip Flops; closed secure shoes reduce the risk of injury. No spaghetti strapped clothing on shirts or dresses. Shorts are required if dresses or skirts are worn.** A winter coat, gloves and hat are essential pieces of clothing during the winter months. Outdoor play is a part of every day. Please also refer to the Non-Violence Policy.
- Sunscreen is available through BICCC for \$12.00 for the summer. Please ask a staff member for information regarding it.
- If you want to bring in your own sunscreen for your child to use, please talk with a staff member to get the right forms filled out. **We also ask that NO COCONUT be used in your sunscreen from home.** We have children with serious allergies. We appreciate your help with this matter.
