Monday, February 19th  
BISD & BICCC Closed  
President's Day  
Observed

Tuesday—Friday, February  
20th-23rd

BICCC is proudly sponsored by:

## Conference Week & Mid Winter Break

Conference Week for K—8th grade is just around the corner! (February 14th-16th). If parents need extra days of care beyond your child's normal schedule, please let the staff know. We'll be happy to accommodate.

**Parents; please remember to pack your child a nut free, heat up free lunch for this week.**

Has the cold and wet weather left you feeling like you need to chase the sun? Wait no more! **Monday, February 19th, both BISD and BICCC are closed for President's Day. BISD will be closed February 20th—February 23rd for Mid-Winter Break, BICCC will be open.**

If a sunny destination is in your sights, please let us know by giving us a call or sending an email. This information helps us plan our staffing schedules and activities throughout the break.

A few quick reminders:

- Kids Club will open with Big Kids from 7:30—9:00 AM. We will be at our location from 9 to 5:00 PM then back to Big Kids until closing at 5:30 PM. In the event that the number of children attending both programs each day is lower than twenty, we will combine between 4:00—4:30 PM.

## What's Happening!

The month of January kept staff and kids busy with great themes and activities that fueled our imaginations and our brains!

- Did you know that the Scots not only invented golf, but the sport of curling as well? Even more interesting; there are only two places in the world blue honed granite is obtained to make the curling stones. Our inquiry into the World of Winter Sports had children designing their own ski wear, building bobsleds and toboggans and learning the science behind the major winter sports such as down hill skiing and bobsledding and ski jumping.
- Many of our Kids Club Kids participate in our weekly D & D groups and as teachers, it's been great listening to them learning to strategize, plan and communicate with one another as they travel through the imaginary world of Waterdeep's Dungeon of the Mad Mage!

Looking forward to a February full of more great educational and fun adventures!
