BIG KIDS NEWS

June 2025

Summer and Fall Enrollment:

Summer Enrollment is out and available to anyone who is interested in joining our amazing summer camp lines ups. Please feel free to tell any of your friends that might be looking for summer care for their children.

Fall Enrollment forms will be available to our current families as of June 3, 2025 and are due back by June 18th, 2025. With a confirmation due back July 2, 2025.

Please remember we require Updated Emergency, Child Health, Immunization and Medication Forms per our state licensing guidelines. This is also a time to make sure medication is up to date as well. We appreciate your help with this matter.

Please feel free to contact me (Bridgette S.) with questions.

Chords & Canvas Event:

You are cordially invited to an amazing evening of music and art Saturday, June 28th, 2025 6pm 9pm.

Well known musician Rael Tranquitino and local artist Cory Bennett Anderson are teaming up to give you a night out like no other.

Tickets are \$25.00 for adults, kids 12 and under are free! Check out posters on more information.

Friendly Reminders:

To help keep our Summer Program running smoothly, we are asking our parents to please help us with the following:

- If your child is feeling under the weather, please keep them home.
- If someone other than a parent is picking up, please notify the staff; if the person is already on your emergency contact list, we just need to have a phone call giving verbal permission. If the person isn't on any forms, we would need to have written permission from a parent or guardian to allow that person to pick up. We would need that person's full name, physical address and phone number. Please remind your emergency contact people to please bring their ID's. We will ask to see them.
- Please provide your child with a **NUT/CANDY/SHELLFISH/SODA//NUTELLA/COCONUT FREE** Lunch each day they attend. We have children with serious allergies to these foods. Thank you for your help with this matter.
- Please send your child dressed for learning and physical activities! Children should feel free to explore many activities without fear of ruining clothing! Your child should come dressed ready to play both indoors and outdoors. Closed, secure shoes reduce the risk of injury and prevent wood chips or gravel from getting into them.
- Sunscreen is available through BICCC for \$15.00 for the summer. Please ask a staff member for information regarding it.
- If you want to bring in your own sunscreen for your child to use, please talk with a staff member to get the right forms filled out. **We also ask that NO COCONUT be used in your sunscreen from home.** We have children with serious allergies. We appreciate your help with this matter.

Happy Summer Season from: Bridgette S., Kathryn & Sara
